WELCOME TO
CHALFONT ST. GILES,
BUCKINGHAMSHIRE

Explore our charming Buckinghamshire village

Mill Farm can be found in the beautiful village of Chalfont St. Giles, set within the serene Misbourne Valley, an Area of Outstanding Natural Beauty. Residents here are perfectly positioned to enjoy scenic walks, local pubs, and a friendly village community, while finding themselves just a short drive away from the larger towns of Beaconsfield and Gerrards Cross.

Local Area

A picturesque village location

Set against the stunning backdrop of rolling countryside, Chalfont St. Giles blends idyllic rural charm with excellent connections. Just minutes from local amenities, boutique shops, and highly regarded schools, these properties are ideally located for families and professionals alike. With fast rail links into London and easy access to the M25 and the M40, the development perfectly balances tranquil village living with modern convenience.

Local amenities on your doorstep

Chalfont St. Giles is home to a great selection of independent shops, restaurants, and traditional pubs, offering plenty of choice, right on your doorstep. The village also features numerous parks and green spaces, providing plenty of opportunity to enjoy the great outdoors.

Other local facilities include the Chalfont Leisure Centre, several golf courses, tennis, bowls, cricket, football, and squash clubs. The village also plays host to the annual Chalfont St. Giles Show, which takes place every September, a popular event, which never fails to bring the community together.

Educational establishments

Within the village itself, you will find the Chalfont St. Giles Village School, which encompasses both an Infant and Nursery School, and a Junior School. Both are within easy reach, just a mile from Mill Farm, and have been awarded 'Good' and 'Outstanding' by Ofsted respectively. The two schools are well-regarded and are deemed to offer a nurturing atmosphere and a strong academic foundation.

For secondary education, students can attend nearby Chalfonts Community College in Chalfont St. Peter, or Amersham School, both of which can be found less than three miles from Mill Farm and are rated as 'Good' by Ofsted. Locally, there is also Dr Challoner's High School, a popular grammar school for girls, which is rated Ofsted 'Outstanding'.

Buckinghamshire is one of the few counties in the UK that still operates a grammar school system, with several high-performing grammar and independent schools available.
